

iBiote™

**You are unique and
so is your
microbiota!**

An **unbalanced** microbiota is often associated with symptoms and pathologies.

Rebalancing it can improve your health.

Your microbiota is your ally

- ✓ It helps to **digest** food and produces essential **vitamins** and **nutrients**
- ✓ It educates your **immune system**
- ✓ It **protects** you **against pathogens**
- ✓ It allows you to **maintain your health** (homeostasis).

Order your
microbiota analysis
online.

Receive your kit
directly to your
home.

Get your detailed
and personalized
report.

- ✓ A **simple** and **quick** test
- ✓ A sample to be taken **at home**
- ✓ Your **detailed** and **personalised** report within a **month**
- ✓ Your analysis for **250€**

This analysis is carried out by the Alphabio medical biology laboratory.
